Available in small, medium, and large size. Mounts on 6mm shaft	<b>MATERIAL:</b>	<b>Metal + Plastic</b>	<b>MODEL NAME:</b>	<b>COM-11949</b>	
	Do you need that extra push over the cliff? The Medium sized GTE (Goes To Eleven) Knob can fit onto potentiometers with a 6mm wide shaft thanks to a brass insert with a set screw.  We know that most of you are playing at ten, but with the GTE Knob you can go... one louder.			<a href="https://www.sparkfun.com/products/11949">https://www.sparkfun.com/products/11949</a>
